

OPHTHALMOLOGY CONSULTANTS of FT. WAYNE, PC

PRE-OP LASER INSTRUCTIONS

PATIENT NAME: _____

You are scheduled for _____ on _____

by: Jeffrey Hudson, MD Brian C. Miller, MD

To be performed at Our Surgery Center at the Engle road facility

GENERAL GUIDELINES:

1. You may eat and drink as usual before the procedure.
2. Please take your routine medications as usual before the procedure. You will *not* be asked to withhold any medications.
3. Please wear a MASK.
4. Dress comfortably; it is sometimes cool in the laser procedure room.
5. You will be in a sitting position for the procedure.
6. In most cases, you are allowed to drive after the procedure. However, if you have concerns, we suggest that you make arrangements for a driver. Due to COVID-19, no patients or their driver will be allowed to wait in the waiting area.

If you have a driver:

There are 3 parking spaces in the front of the surgery center under the green awning. These 3 spaces will be reserved for surgery check-in only. Please park in one of these three spaces. If the spaces are full, please call ext. 332 and let us know you are here and where you are parked. Once you are in one of those spaces, you will be met outside, your temperature will be taken and you will also be asked COVID screening questions. Next, surgical consents will be reviewed and signed by the patient. Once this is completed, you will be escorted inside and your driver should park in an unreserved space, so the next patient can utilize the check in parking area.

If you do NOT have a driver:

Please call ext. 332 and let us know you are here and where you are parked. Once you are in one of those spaces, you will be met outside, your temperature will be taken and you will also be asked COVID screening questions. Next, surgical consents will be reviewed and signed by the patient. Once this is completed, you will be escorted inside.

PLEASE RETURN THE TWO FORMS TO US WITHIN A WEEK PRIOR TO YOUR PROCEDURE.

If you have any questions regarding your procedure, please feel free to call our office at 436-7205. We are happy to answer your questions and alleviate any concerns that you may have.

Sincerely,

The Staff of Ophthalmology Consultants of Fort Wayne, P.C.
